

# Lactana® ORGANIC Infant Milk 1 based on Goat's Milk

from birth onwards  
+ DHA\*

DE-ÖKO-001  
EU-/Non-EU-  
agriculture

## PROPERTIES

- \* contains DHA (Docosahexaenoic acid, as required by the legislation for all infant formula), an omega-3 fatty acid
- ✓ is suitable as sole nutrition from birth onwards if the baby is not being breastfed, as supplemental feeding with breastfeeding or after breastfeeding
- ✓ fulfils the highest demands on quality and complies with the latest state of nutritional science
- ✓ corresponds to the standard of the EU organic regulation: high-quality raw materials from controlled organic cultivation are used

## INGREDIENTS

**Goat milk powder**<sup>1</sup>, Maltodextrin<sup>1</sup>, **Lactose**<sup>1</sup>, Vegetable oils<sup>1</sup> (Palm oil<sup>1,2</sup>, Sunflower oil<sup>1</sup>, Rapeseed oil<sup>1</sup>), Docosahexaenoic acid from **fish** oil, Choline bitartrate, Calcium carbonate, Sodium citrate, L-tryptophan, L-cystin, Vitamin C, L-isooleucin, L-tyrosine, Ferrous lactate, Vitamin E, Zinc sulphate, Pantothenic acid, Vitamin D, Vitamin A, Niacin, Copper sulphate, Vitamin B12, Vitamin K, Folic acid, Vitamin B1, Vitamin B6, Manganese sulphate, Sodium selenate, Potassium iodate, Biotin.

1 from organic production

2 organic palm oil from sustainable cultivation

## IMPORTANT INFORMATION

- may contain traces of cow's milk
- contains proteins that are similar to cow's milk proteins. In case of an existing or suspected allergy towards cow's milk protein, **Töpfer Lactana ORGANIC Infant Milk 1 based on Goat's Milk** should not be used. Please consult your paediatrician in this case.
- Breastfeeding is the best for your baby because breast milk supplies exactly the nutrients a baby needs for a healthy development. Please contact your clinic or paediatrician if you wish to bottle feed your baby.

## HOW SUPPLIED

Powder: package with 400 g, packed under protective atmosphere.

## ARTICLE NUMBER

Art.: 6018901

PZN: 10283341

GTIN: 4006303004710
